

LOCAL BREVITIES.

Now for peace, put 'em in!  
Miss Helen Sheppard is at home from Converse College.

Mr. J. Foster Cheatham had cotton blooms on the 13th of June.

Many of the wells in our community are very low in their supply of water.

Mrs. Carrie Miller is visiting her mother, Mrs. Ida Sheppard, in our town.

Prof. Bailey will spend a few weeks rusticiating in the mountains of North Carolina.

Abundant and glorious rains have fallen in this community within the past few days.

Private Bussey, of the Abbeville Company, is at his home, Parkville, on a recruiting expedition.

The County Board of Control of Edgefield will hold their monthly meetings in the Grand Jury room.

Mr. D. R. Duriso has removed his office to the store room adjacent to and in rear of the Bank of Edgefield.

Judge Gage will preside at our August term of court. This will be the judge's first appearance at Edgefield.

The State of Delaware has only three counties, the same number that Edgefield had before she was dismembered and dismantled.

Maj. W. T. Gary, a candidate for Judge of the Augusta (Ga.) Circuit Court. We hope he may win and so does all Edgefield.

We are requested to announce that the Rev. P. P. Blacklock will preach at Berea Baptist church on the 1st Sunday in July at 11 A. M.

The report is current on our streets that the Southern Railway has bought the Cumberland Gap and will at once finish up this line to Greenwood.

The crop of candidates is growing slowly but steadily. If all men would be all the time as sweet-mouthed and tender-hearted as are candidates, what a heaven-on-earth there would be.

Since the failure of Leiter, the great wheat manipulator of Chicago, flour has receded to its almost normal figures, and perhaps the new crop of wheat just now coming in has much to do with it.

"We like Mr. Bussey's letter in the Advertiser of last week so much." This is what our subscribers tell us and write us. We hope to hear soon again from the boys in camp through Chaplain Bussey.

In the recent meeting of the trustees of Furman University Mr. L. F. Dorn, of Parkville, was present and took a conspicuous part in the proceedings. Mr. Dorn has for many years held this important position, and is always a friend to education and a worker in the cause.

You can get the ADVERTISER and Frank Leslie's Weekly, both one year for \$3.50, or both six months for \$1.75. Leslie's has all the war pictures—battleships and battles, generals and horses, and a few privates now and then.

Jones was dead, and a bulletin stating that Geo. S. Jones, Esq., had departed this life for heaven at 12 M., was posted by a sympathetic family on the door. A passing way, full of mischief, placed the following notice on a telegraph sheet under that of the family:

Heaven, 12.30 P. M.  
"Jones not arrived. Excitement intense."

The postoffice department asks the press to publish this notice: "Relatives and friends of soldiers in the field, in addressing letters to them, should mark plainly the company and regiment to which they belong, as by doing so the distribution of the mail will be facilitated. This applies to both the regular troops and the militia volunteers."

Contractor J. J. Bell is just now engaged in building a number of flat cars, or gondolas, for the Cumberland Gap road. This work is being done at the terminus of the road in the flat just below Mr. D. R. Duriso's residence on Main street. By the way, a passenger ticket office is soon to be erected at this place, whence the trains will make their departures and arrivals instead of at and from the freight depot as is at present the rule.

Our young friend W. G. Ouzts was at home for a few days last week. Wiley is at present a conductor on the railroad that runs from Savannah, Ga., to Montgomery, Ala., with headquarters at the first named city. In a few years we expect to see him go higher. There is no better place in which to begin a career than railroad employ, if you have the stamina, the push, and the ability. Friend Wiley has all these and of course that settles it.

We are glad to hear that Uncle Billy Burrell, of Trenton, who had a stroke of paralysis some weeks since, is much better. He has recovered in part his power of speech and locomotion, can talk and walk again, not so well as before, but well enough to give rejoicing to his many friends who have always loved him for his genial disposition and kind heart. We never heard a man, woman or child on God's green earth say aught against Uncle Billy Burrell.

WANTED—The management of the Equitable Life Assurance Society in this territory is desirous of securing the services of a man of character and ability to represent its interests, with man will be thoroughly educated in the science of life insurance and the art of successful soliciting. There is no business or profession not requiring capital which is more remunerative than a life agency conducted with energy and ability. Correspondence with men who desire to secure employment and are ambitious to attain prominence in the profession, is invited. W. J. RONNEY, Manager, Rock Hill, S. C.

Mr. John Weir brought in from the Bacon place, near our town, a red cotton bloom of date June 16th. Not satisfied with this he went back to his farm and brought us a small cotton boll, say the size of a cow pea, which must have been ten days old. So John scores the first cotton bloom for Edgefield county.

The examinations for the award of vacant scholarships in Winthrop College and for the admission of new students will be held at the county Court House on July 15th, at 9 A. M. Applicants must not be less than 15 years of age. When scholarships are vacated after July 15th, they will be awarded to those making the highest average at this examination. The cost of attendance, including board, furnished room, heat, light, and washing is only \$8.50 per month. For further information and a catalogue address President D. B. JOHNSON, Rock Hill, S. C.

Speaking of the arrival of the First South Carolina Regiment of Volunteers at Chickamauga Park, the Chattanooga Times says: "Whatever this regiment may have lacked in the way of equipment, they made up for in discipline, which was far better than that of any volunteer regiment now at the park. Their manner of leaving the train and receiving coffee reminded one of the regulars, and it is said that if not better than the regulars, the companies act like parts of a machine, responding readily and easily to every command."

Mr. and Mrs. J. B. Clotworthy have returned to Hillman, Ga., and are prepared to take a limited number of private boarders at their cottage on hotel grounds. An electric shaft in the basement of house.

Prof. F. N. K. Bailey has been in our town for several days and has made a most favorable impression, in fact our people are delighted with him. He impresses one with the conviction that he is a Christian gentleman first, and after that, that he is a born hustler, a school builder, and a town builder. Shall we hold up his hands? Yes, as high as the sky! Next week or later we shall enter more into details as to the South Carolina Co-Educational Institute, now located at Edgefield, and of Prof. Bailey's personality and lineage. We knew his father and mother for twenty-five years, and know that they were of the noblest and best of God's creation.

The parlor recital by the music class of Miss Marcelle Gwaltney, at her home on last Monday evening, afforded a most delightful occasion for the relatives and friends of the performers who were so fortunate as to be present. Edgefield has seldom had so rare a musical treat. The following programme does much credit to Miss Marcelle in its selections, and to herself and pupils in their rendition:

Ex-Senator John J. Ingalls, of Kansas, whose fame as a brilliant writer, a man of remarkable scholarship and literary attainments, is even greater than that of the distinguished senator, announces a new book on the subject of the American Spanish-Cuban War. It is entitled "America's War for Humanity in Picture and Story." It is published by the N. D. Thompson Pub. Co., of St. Louis, Mo., and is an exhaustive discussion of the cause of the war, and equally exhaustive history of its incidents, and a brilliant analysis of the famous characters conducting it. It promises to be the one great and popular work called forth by this wonderfully interesting national episode. Whatever Senator Ingalls touches he adorns; and this book shines and sparkles in the light of his genius. The present work is worthy of his genius, and will be a monument to his fame. The subject now so engrosses the popular mind as to forecast for this book a sale that will be universal. It will be sold by subscription only, and the canvassing samples are now ready for agents. We advertise it in another column.

THE SOUTH CAROLINA CO-EDUCATIONAL INSTITUTE.

The following account of the closing exercises of the South Carolina Co-Educational Institute, recently held at Williston, S. C., we clip from the Baptist Courier of last week. As this Institute comes to Edgefield this fall our people will be glad to see and to know in what esteem the Institute and Prof. Bailey are held at Williston, where he has been for a number of years:

"The last and most successful session of the South Carolina Co-Educational Institute was brought to a close last week with its best commencement exercises. I should have said the last in Williston. Prof. Bailey will open next session in Edgefield. At the commencement there were eleven full graduates: Miss Sue Williams, Colleton Co.; Miss E. Williams, Colleton Co.; E. A. Marvin, Colleton Co.; J. E. Webb, Barnwell Co.; Furman Tisdale, Sumter Co.; S. B. W. Courtney, Williamsburg Co.; E. S. Harley, Barnwell Co.; Miss Gabriella Miller, Bamberg Co.; T. E. Bruce, Barnwell Co.; S. D. Cain, Sumter Co.; W. G. Cain, Sumter Co. The following are partial graduates: Miss Rosa Ayer, Bamberg Co.; Miss Lucia Matthews, Barnwell Co.; Miss Mary A. Weatherbee, Barnwell Co.; J. E. Kennedy, Barnwell Co. All these, except one, read essays at their graduation, which were papers of decided merit."

It would be difficult to bring together for speech-making, etc., better talent than we enjoyed during the commencement. Rev. W. E. Thayer preached the commencement sermon, Dr. A. P. Montague, Col. Robt. Aldrich, and Hon. Geo. D. Tillman delivered addresses. Further comment is unnecessary on this subject.

Such a closing, though, as we had! Prof. Bailey, in a well chosen address, announced that the South Carolina Co-Educational Institute would no longer do its work in Williston, but would be removed to Edgefield C. H., where he has been offered very superior advantages in buildings both for dormitories and recitation halls. At the close of this saddening speech, Rev. J. D. Huggins, on the part of the old students, the board of trustees and patrons, presented Professor Bailey with a gold watch and chain. With sorrowing hearts and weeping eyes, on the part of a great many, the congregation broke up, and the members of the Alumnae Associations, with invited guests, met in a banquet. Here there were many farewell speeches made and many hearts found relief to their grief in weeping. How could we help it? We did not try to help it; we didn't wish to help it.

Our faces are all to the future, all hoping for still better things, with honest determination to do better. What is the past worth unless we do? In his farewell talk, Prof. Bailey announced that the trustees had secured Prof. J. E. Sanders, as principal of the Williston School for another year. In conclusion, we believe we are to be congratulated in having Prof. Sanders to take charge of our school, and we know that Edgefield is to be congratulated because Prof. F. N. K. Bailey and the South Carolina Co-Educational Institute are to live and work with them."

ENDORSED BY TRUSTEES.

Upon receipt of the notification that Prof. Bailey would leave Williston, where he has been so acceptably and successfully conducting the South Carolina Co-Educational Institute for several years past, the trustees met and passed the following highly eulogistic resolutions:

Inasmuch as the time has come when Prof. F. N. K. Bailey sees fit to sever his connection with us as president of the South Carolina Coeducational Institute; and whereas we have most abundant and substantial evidence of the great benefit he has been to us as trustees, in bringing our school up to a high point of excellence, and the incalculable blessing he has been to our community through his indomitable courage, untiring labors and pious living, shown in his life, in society, in the church and in the school, therefore, be it resolved:

First, That in his departure from our community we lose one amongst the best and most useful of men; one, though, whose worth will be appreciated wherever he may go.

Second, That with sincere gratitude we shall always remember his labors of love and interest.

Third, That with genuine regret we deplore our loss.

W. H. KENNEDY,  
W. C. SMITH,  
Committee.

**A CHRISTIAN GENTLEMAN.**

The high regard entertained for Prof. Bailey as an earnest Christian worker is indicated by the following resolutions of the B. Y.

P. U. of Williston recently adopted:

Whereas, Prof. F. N. K. Bailey, as president of the B. Y. P. U. of Williston, has, by his earnest devotion to duty and love for the work, rendered valuable service to the cause; and

Whereas, by his Christian influence, spiritual advice has been an incentive to the members of the Union; therefore be it.

Resolved, 1. That in losing him we realize that a noble worker has gone from our midst.

2. That the thanks of the Union be extended to him for his inestimable aid given.

3. That a copy of these resolutions be sent to Prof. Bailey and also published in the Barnwell People and The Baptist Courier.

S. E. SMITH, Chairman,  
ALICE TOOL,  
EDNA HAIR,  
Committee.

"BEFORE BABY IS BORN."

A Valuable Little Book of Interest to All Women Sent Free.

Every woman looks forward with feelings of indescribable joy to the one momentous event of her life, compared with which all others pale into insignificance. How proud and happy she will be when her precious babe nestles on her breast—how sweet the name of "Mother!" And yet her happy anticipation of this event is clouded with misgivings of the pain and danger of the ordeal, so that it is impossible to avoid the feeling of constant dread which creeps over her. The danger and suffering attendant upon being a mother can be entirely prevented, so that the coming of the little stranger need not be looked forward to with fear and trembling, as is so often the case. Every woman who reads this paper can obtain absolutely free a valuable and attractive little book entitled "Before Baby is Born," by sending her name and address to the Bradford Regulator Co., Atlanta, Ga. This book contains priceless information to all women, and no one should fail to send for it.

Little Pimples Turn to Cancer.

Cancer often results from an impurity in the blood, inherited from generations back. Few people are entirely free from some taint in the blood, and it is impossible to tell when it will break out in the form of dreaded Cancer. What has appeared to be a mere pimple or scratch has developed into the most malignant Cancer.

"I had a severe Cancer which was at first only a few blotches, that I thought would soon pass away. I was treated by several able physicians, but in spite of their efforts the Cancer spread until my condition became alarming. After many months of treatment and growing steadily worse, I decided to try S. S. S., which was so strongly recommended. The first bottle produced an improvement, and in four months the last little spot was dropped off. Ten years have elapsed, and not a sign of the disease has returned."

It is dangerous to experiment with Cancer. The disease is beyond the skill of physicians. S. S. S. is the only cure, because it is the only remedy which goes deep enough to reach Cancer.

S. S. S. For the Blood

(Swift's Specific) is the only blood remedy guaranteed Purely Vegetable. All others contain poisons and mercury, the most dangerous of minerals. Books on Cancer and blood diseases mailed free by Swift Specific Company, Atlanta, Georgia.
